# Charity Donations

LAL is proud to announce that it has started to work with WWEP, a UK-based charity, whose work is spread throughout the world, bringing educational resources to children who would not normally be able to access what many of us take for granted.

In order to support this very worthwhile charity, we are asking students and/or Language Travel Operators and Agents to donate GBP 1, EUR 1 or USD 1, depending on the school, per booking which LAL will match. The donation will be added at the time of booking.

In addition, we will also be raising funds locally in the schools and we will publish on our website all the news about our donations and other work to help these disadvantaged children.

The donation is totally voluntary and if you wish to not donate, please let us know at the time of booking so we can remove it from your invoice.

Currently this arrangement is for the adult and young learner schools in the UK, the USA and South Africa only.

For more details on WWEP, please visit their website: [www.wwep.org.uk](http://www.wwep.org.uk)

On behalf of LAL and WWEP, and most importantly, the children who will benefit, we thank you for your consideration and donations.

# Levels

## Our levels and curriculum

Our curriculum is based on the levels of the Common European Framework of Reference for Languages. CEFR was put together by the Council of Europe and is used all over the world as the standard for grading individuals' language proficiency.

The CEFR descriptors indicate the proficiency that should be achieved at each level. The table on the right includes a summary, and includes comparable levels of other common standards.

Completing one level usually takes about 12-18 weeks but with effort, involvement and motivation this can be achieved in a shorter period of time.

LAL traditional levels	CEF	Typical progress through levels with continuous study	Cambridge	IELTS	TOEFL
Post-advanced	C2		CPE	7	
Advanced	C1		CAE	6	110 - 120
